COLLEGE READY HELPS STUDENTS GET INTO COLLEGE  
FOR LITTLE TO NO MONEY

*College Ready Founder Shellee Howard has proven that she can students into their perfect college and graduate debt-free*

LAGUNA BEACH, CA – Certified Educational Planner Shellee Howard has consulted hundreds of college-bound students around the world and helped them not only get into their best match college, but many graduate debt free with a job they love waiting for them. Her successful ground breaking strategies take the fear out of planning and paying for college.

“After helping my son get into Harvard and graduate debt free, I felt a calling to help other students to do same, which is why I founded College Ready,” said Shellee. “I am passionate about helping students achieve their college dreams and not have to worry about paying back a student loan upon graduating.”

In addition to coaching students, Shellee also wrote a book for parents titled, *How to Sent Your Student to College Without Losing Your Mind or Your Money*. The book is a must-have for parents wanting to navigate the college admissions process with as little stress as possible and find creative ways to cover the cost of higher education.

Shellee offers an initial free phone call for new clients and creates a customized plan. College Ready staff and consultants include Educational Advisors, Financial Advisors, Essay Editors, Test Prep Advisors, Leadership Advisors and Community Service Advisors. All of these resources help improve a child’s success throughout the college application process.

College Ready does not just provide services for an aspiring student, but for the entire family as well. Each student is given the tools and tips to create the materials they need to succeed, while parents are given the tips on finances and how to guide their child through the stressful process. Shellee and her team spend their time traveling to various universities in order to learn what admissions are looking for. They are able to provide first-hand knowledge on universities both big and small.
